RE: RE—OPENING OF THE COLLEGE.

Following the Presidential directive on 1st May, 2021 that learning/training resume their operations and a circular from TVET, Runyenjes Technical and Vocational College intends to resume its core mandate in technical training on 10th May, 2021.

Bearing in mind that we are re—opening the college amidst the COVID 19 pandemic, we would like to request all stake holders and interested parties to assist the institution/trainers/parents and trainees to oversee successful reopening and continual learning without the risk of contracting or spreading the COVID –19 virus.

To landlords/landladies, please ensure that;

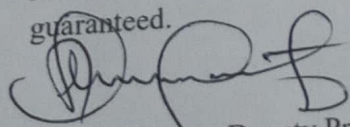

- 1) There is proper wearing of face mask by students and visitors.
- 2) No congestion of students in the rented rooms and social distance is observed within the area of residence.
- 3) There is enough clean water within student's area of residence.
- 4) High degree of cleanliness within the Plot is maintained.
- 5) Dumpsite for waste face masks and other waste material is provided.
- 6) Controlled flow of students in and out of the plot.
- 7) Inform the institute or nearest health facility of any COVID –19 suspected student.
- 8) No unnecessary movement within the plot in the CURFEW hours.
- 9) **To medical personnel;**
 - 1) Train our staff on handling COVID—19 suspect/s and other COVID –19 health protocols.
 - 2) Assist the institution in handling of COVID—19 emergency cases.
 - 3) Provide Psychosocial/Counselling to COVID—19 suspects/patients.

To church/spiritual leaders;

- 1) Ensure COVID—19 health protocols are observed.
- 2) Provide Psychosocial/Counselling to COVID—19 suspects/patients.

To local administration;

Assist to ensure that all COVID –19 health protocols are observed and that security of students is guaranteed.
